## WELCOME TO THE FIRST ISSUE OF OUR COMMUNITY NEWSLETTER!

Greetings! We are back home now in S Clemente after spending an unexpected two months on the East Coast in Boston. Once we settle in, our busy life will continue as usual. In addition to our weekly challah delivery to 200 families and Shabbat morning services followed by a Community Kiddush Lunch, we are preparing for our son Isaac's Bar Mitzvah at the end of September, immediately followed by the High Holidays!

Stay tuned for much more information about upcoming happenings, High Holiday Events, and our building remodel and expansion project, just to name a few.

## “Challah at Us”

*Messages from Community Members  
about receiving their weekly Challah*

“The taste is great and it’s always delivered with love! I am very appreciative and it is really a wonderful service. Thank you!”

~Flo B.

## Volunteers Needed!

Each Week 8-12 generous Community Members sign up to take a group of local families fresh baked challah. What started as a very small scale endeavor many years ago, grew immensely during Covid and has continued to expand ever since. Nearly 200 households all over the region now receive weekly challah! This is an amazing way to keep the community connected *and* it takes a lot of work. We are in need of several more volunteers to ensure the continuation of this wonderful community Mitzvah!

Please contact our office at [office@JewishSC.com](mailto:office@JewishSC.com) if you are interested in becoming a challah delivery volunteer!
